

Press Release

Sodexo partners with *Le Village by CA* to support start-ups inventing tomorrow's Quality of Life Services

Now accepting new applicants to join *Le Village by CA*, a collaborative space for young innovative start-ups

Paris, France –May 3, 2016 – Sodexo has joined with *Le Village by CA* to offer collaborative workspace to two young innovative start-ups focused on services that improve quality of life. The selected applicants will be able to develop their projects alongside other like-minded entrepreneurs.

Those wishing to apply should upload their application to the *Le Village by CA* website at <http://www.levillagebyca.com/nous-rejoindre> by **midnight June 6, 2016**. A selection committee will meet on **June 23, 2016**, for presentations by short-listed candidates.

By engaging with these start-ups and supporting young talent from *Le Village*, Sodexo enables the best ideas to come through. Sodexo's investment in Quality of Life services goes beyond our day-to-day business and comes through in our commitment to supporting future generations. Our search for innovation and strong partnership approach have already enabled the company to develop online mobile healthcare solutions for patients, their families, and healthcare professionals.

About *Le Village by CA*

Initiated by Crédit Agricole, a major French bank, [Le Village by CA](#) is a value-enhancing ecosystem that supports entrepreneurial start-ups in every industry, with particular emphasis on agriculture and food, health and well-being for seniors, the environment and housing. Based in Paris since October 2014, *Le Village by CA* is now being rolled out throughout France, with a dozen openings scheduled for 2016. The network will eventually include some twenty interconnected *Villages* in France and 25 outlets abroad where start-ups can develop, share and enhance business practices

About Sodexo

Founded in Marseille in 1966 by Pierre Bellon, Sodexo is the global leader in services that improve Quality of Life, an essential factor in individual and organizational performance.
